

and its allies for civil society and democracy clearly demonstrates the role Ukraine and her people intend to play. Ukraine's support for America is deeply appreciated.

Mr. Speaker, I thank the people of Ukraine for their condolences and camaraderie and commend Ukraine's leaders for standing shoulder to shoulder with the United States. I will submit for the RECORD at this time the resolution that was adopted this morning by Ukraine's parliament.

THE LESSONS OF THE TRAGEDY ARE NOT TO BE FORGOTTEN

STATEMENT BY THE VERKHOVNA RADA OF UKRAINE ON THE OCCASION OF THE ANNIVERSARY OF THE EVENTS IN THE UNITED STATES ON SEPTEMBER 11, 2001

The year that passed after the tragedy in the United States of America did not assuage anger and indignation at malevolent actions of terrorists, pain and bitterness over the loss of thousands of innocent people who died in the airplanes, skyscrapers of the World Trade Center in New York, and offices of the Pentagon. Paying homage to their memory we express once again our sympathy with families and loved ones of the victims.

The last year tragedy has taught the mankind many lessons. First of all it demonstrated that neither financial and economic power, nor possession of unprecedented arsenals of modern arms can guarantee security even for the most powerful state of the world. It has become even more obvious that only with united and coordinated actions can the mankind overcome the international terrorism and religious fundamentalism.

Realization of that led to creation of the anti-terrorist coalition that included dozens of countries. An important role within the coalition belongs to Ukraine, whose foreign policy major goals are strengthening of the international peace and security, maintaining peaceful, equitable, and mutually beneficial cooperation with members of the international community consonant with the generally accepted principles and norms of the international law.

The Verkhovna Rada of Ukraine considers it exceptionally important to apply the experience of the anti-terrorist coalition to strengthening cooperation of members of the international community in overcoming such global challenges as deepening gap between a handful of the richest countries and numerous less developed nations and countries in transition; catastrophic impoverishment of hundreds of millions of people; spread of drug abuse, infectious disease, corruption and organized crime; depletion of water and other natural resources; pollution; dangerous accumulation of nuclear, chemical, and other weapons of mass destruction; strive for hegemony and dictates in international relations; attempts to use objective processes of globalization and internationalization in the selfish interests of one state or a group of states.

United, the mankind is capable to ensure protection of the environment and biodiversity, acceleration of economic and social growth of every member of the international community. We consistently support the increasing role of the United Nations in resolving international problems, strict compliance with requirements of the UN Charter on conflict resolution and prevention of threats to peace and security of the nations.

The documents of the World Summit on Sustainable Development held recently in Johannesburg attracted attention in the Ukrainian society. By taking unprecedented

decisions to voluntarily renounce the third largest nuclear arsenal and close up the Chornobyl nuclear power station, Ukraine, having been left alone with these very complicated problems, demonstrated to the world its devotion to the cause of peace and international security and adherence to its international commitments.

Reflecting on the lessons of the last year September tragedy, we consider it our duty to draw once again the attention of the international community to the above issues and call on all the nations to consolidate and multiply their efforts to overcome global challenges facing the mankind in the 21st century.
